SIXTH AVENUE – FIFTH STREET TO DRACHMAN STREET, SLURRY SEAL FOR TWO-WAY CONVERSION

Southern Arizona Paving, under contract with the City of Tucson Department of Transportation (TDOT), will begin improving the pavement condition of Sixth Avenue north of Downtown on Monday, June 17, 2013. The work consists of cape sealing followed by slurry sealing and new striping. When complete, Sixth Avenue from Fifth Street north to Drachman Street will become a two-way street.

Crews will be working 6 a.m. to 4 p.m. Monday through Thursday. The project is scheduled to be completed in mid-August 2013.

Business and residential access will be maintained at all times during the project. The traveling public can expect delays when driving in the work area. Parking on Sixth Avenue will be restricted at times. Please obey all traffic control signs and watch for construction personnel and equipment in the work area.
